**Please select (1) category that best describes your area of interest:**

**C-1 Producer** – Those who are predominantly involved with the production (manufacturing goods) of products, materials, or services. This category typically includes manufacturers, trade associations (groups representing manufacturers directly associated with the manufacture of the products covered by the candidate standard), etc.

**C-2 User** – Those who are predominantly interested in the use of the product, materials, or services. This category usually includes consumers, customers of product producers, distributors, retailers, etc., and may include regulatory agencies, safety associations, certification agencies, and similar organizations.

**C-3 General Interest** – Those who are not associated with production, distribution, or direct use, of products, materials, or services. This category typically includes professional and lay people employed by academic and scientific institutions, experts, government agencies, insurance companies, utilities, etc. Regulatory agencies, safety associations, certification agencies, and similar organizations may feel they belong in this category as opposed to the user category, as well.

**Note: Your acceptance as a committee member is contingent upon maintaining a proper balance of the various interest categories.**

**Background and Response**

**1) What is your direct and material interest in the committee(s) work?**

**2) What experience or expertise can you contribute to the committee(s)?**

**3) Describe your experience and qualifications for appointment:**

**4) If you participate in other standards development committees, please list them here.**

## TERMS & CONDITIONS

1. Per ASC A11 Policies and Procedures Section 5.2, members are expected to fulfill obligations of active participation. Active participation includes Attendance at the ASC A92 Annual Meeting and Voting. If a member is in default of these obligations, the consensus body will determine appropriate action, which may include termination of membership.
2. If appointed as a member of the ASC A11 Committee, I understand that certain expenses I may incur shall be my responsibility.
3. I, the undersigned, acknowledge that my membership of the ASC A11 Committee is subject to compliance with the ASC A11 Policies and Procedures and the ANSI Essential Requirements.
4. If appointed as a member of the ASC A11 Committee, I hereby grant the Scaffold & Access Industry Association (SAIA) the non-exclusive, royalty-free rights, including nonexclusive, royalty rights in copyright, to any contributions I make to documents or material I prepared for SAIA and the ASC A11 and I understand that I acquire no rights in the publication of such documents in which my contribution or other similar analogous form is used. I hereby attest that I have the authority and I am empowered to grant this copyright release.
