SAIA LAUNCHES NEW LMS FOR ATIs

ATIs Get Customized Portal to Manage Courses, Students and Access Resources

KANSAS CITY, MO | October 31, 2018 – The Scaffold & Access Industry Association will launch a new Learning Management System (LMS) for their Accredited Training Institutes and instructors. The customized portal will go live on Monday, November 5, 2018.

Emails with login credentials will go out to all ATIs soon after. ATIs will have access to training webinars and video tutorials that explain how to use the system. Download the infographic which highlights some of the system’s capabilities.

About the SAIA
The Scaffold & Access Industry Association (SAIA) is a non-profit trade 501(c)(6) association committed to raising the standards of professionalism within the scaffold and access industry. The SAIA represents all facets of the scaffold and access industry through various councils that include, aerial work platform, construction hoist, fall protection equipment, international, industrial, mast climbing, plank and platform, shoring, supported scaffold and suspended scaffold. Through its various programs, the SAIA promotes safety, training and a highly professional, responsible image of the scaffold and access professional. The SAIA delivers thousands of safety training programs a year at various locations throughout the world. These programs cover all aspects of scaffold and access safety and equipment use. The SAIA is also the secretariat for the American National Standard, SAIA ASC A92 and A11 standards. For more information, call 816 595.4860 or visit us at www.saiaonline.org.
