SAIA to Exhibit at Downstream Conference in Galveston

The SAIA will be exhibiting at the [2018 Downstream Conference & Exhibition](#) in Galveston, Texas, May 31 - June 1, 2018.

The exhibit is an opportunity for each of the 11 Councils and their member companies to display materials and equipment that represent what the SAIA offers collectively as a brand and as an association.

The Downstream Conference is the most significant, industry-leading event for Downstream Capital Project, Engineering, Maintenance, Reliability and Turnaround professionals to meet and do business.

To participate in the event or for more information, contact Jackie Brown at 816.595.4843 or jackie@saiaonline.org.

Even though there's only one day left of National Safety Stand-Down Week, that doesn't mean you can't continue to do your part. Make safety a priority on job sites by putting prevention measures in place that can help prevent fall-related fatalities and injuries.

If you or someone you know has survived a fall because fall protection equipment was used, then we'd like to hear your story. [Send us](#) a short video testimonial that we can share with our members.

Don't forget to capture photos and/or videos of your company's Stand-Down efforts this week. You can email them to Jackie Brown at jackie@saiaonline.org.

CHECK OUT THESE FREE FALL PREVENTION WEBINARS!

OSHA Region 6 and the Education Centers in Louisiana, Oklahoma, and Texas will be offering access to a free, one-hour WebEx presentation on fall prevention in the construction industry. The webinar will be
