About the SAIA

The Scaffold & Access Industry Association (SAIA) is a non-profit trade 501(c)(6) association committed to raising the standards of professionalism within the scaffold and access industry. The SAIA represents all facets of the scaffold and access industry through various councils that include, aerial work platform, construction hoist, fall protection equipment, international, industrial, mast climbing, plank and platform, shoring, supported scaffold and suspended scaffold. Through its various programs, the SAIA promotes safety, training and a highly professional, responsible image of the scaffold and access professional. The SAIA delivers thousands of safety training programs a year at various locations throughout the world. These programs cover all aspects of scaffold and access safety and equipment use. The SAIA is also the secretariat for the American National Standard, SAIA ASC A92 and A11 standards. For more information, call 816 595.4860 or visit us at www.saiaonline.org.
